

## CHURCH PARTNERSHIP

**Street Hope TN** is a faith-based organization leading churches, community organizations, and individual volunteers on a comprehensive path to end domestic minor sex trafficking (DMST) in East Tennessee, Tennessee and throughout the United States. Our mission is to eliminate sexual exploitation and trafficking of children and provide safe environments to foster healing and hope through Jesus Christ.

### Some benefits of partnership include:

- **Training**
  - A gospel-based awareness presentation by a Street Hope speaker at no charge
  - Training for front line ministers: Children's Ministry, Youth, Parents
  - Free training through Street Hope Academy for two liaisons from your church
  - Access to Street Hope resources
  
- **Connection**
  - A link to your church's website from our Partnership page
  - Regular communication related to DMST, including updates on policy development and legislation at local, state and national levels
  - Priority notification of Street Hope news, events, and updates
  - Quarterly reports on Street Hope's impact
  
- **Engagement**
  - Prayer mobilization for your church liaisons/team
  - Partnership in planning engagement for your volunteers with best-fit Community Partners complementing your church strategy
  - Relational overflow of clients impacted and served into your congregation
  - Celebration reports resulting from your church partnership with Street Hope
