Dear friend,

I'm very excited to invite you to **Hope Will Rise**, our signature dinner and evening of awareness and celebration! This year's event marks our 10th anniversary as an organization on a mission to eliminate the sexual exploitation and trafficking of children and provide safe environments to foster hope and healing through Jesus Christ.

As a **Hope Will Rise sponsor**, you partner with this mission AND help Street Hope TN bring a large community together to learn more about how **everyone** has a role in this work we do. Through your financial support, your time, your advocacy and your prayers—we can reach thousands of young lives and families each year through prevention education. And through you, precious girls are discovering healing and life-changing restoration at Garland Oaks, the only safe home in East Tennessee for child survivors of sex trafficking.

This year marks three years of providing restoration in our “house of miracles.” Each Garland Oaks resident receives 24/7 direct care, an individualized education in our onsite classroom and a variety of extensive therapy options. The holistic care each child receives is trauma-informed and designed for her healing and growth. Most importantly, she discovers who she was created to be and that **there is hope** for her future.

Through your Hope Will Rise sponsorship, you are also recognized through our communications before and at the event. You'll find those details and sponsorship levels on the next page, and we're here and available to answer questions and talk more about these details.

Thank you for joining us in our fight for freedom. Together, we will prayerfully protect the most vulnerable and provide hope to the hopeless.

With hope and gratitude,

April Timko | Executive Director
