STREET Hope -TN-

OUR MISSION We work to eliminate the sexual exploitation and sex trafficking of children in Tennessee and provide safe environments to foster healing and hope through Jesus Christ.

We Carry Out Our Mission Through:

Awareness
INCREASING KNOWLEDGE

We engage people through events, presentations and educational programs because the first step to eradicating modern-day slavery is letting people know it still exists today.

Prevention
REDUCING VULNERABILITY

We work hard to prevent child sexual exploitation from ever happening by equipping youth and adults with sexual exploitation and trafficking prevention education through our Project POST Curriculum, Domestic Minor Sex Trafficking (DMST) Trainings and Internet Safety Trainings.

Restoration
EMPOWERING SURVIVORS

We are opening the first longterm, holistic care safe home in Tennessee for girls ages 12-17 who are victims of sex trafficking. When a girl enters our home, she will enter a place of refuge where she can find rest, heal, grow and experience Christ's redeeming love for her.

Prayer
SEEKING JESUS

We know that bringing an end to sex trafficking can only be accomplished through regular prayer and seeking the Lord's heart with each step. We facilitate prayer gatherings where believers come together boldly before the throne of the Lord and pray for freedom, justice and restoration.
