

# NAVIGATING THE DIGITAL WORLD

TRAINING FOR ADULTS - PARENTS, TEACHERS, PASTORS, LEADERS

OUR MISSION IS TO END THE SEXUAL EXPLOITATION AND TRAFFICKING OF CHILDREN

THIS 2 HOUR LONG TRAINING EQUIPS ADULTS TO:

- Monitor children + youth electronic devices effectively
- Identify hidden apps, chatrooms, websites, and risky or unsafe apps + games + social media online
- Navigate the internet safely and avoid risky behaviors online that they may not be aware they are doing themselves so they can teach children + youth
- Identify signs of children and youth participating in risky behaviors online. This can include: sexting, video chatting, talking with strangers, accepting friend requests or follows from strangers, oversharing information, etc.
- Understand grooming, who predators and victims really are, the different types of exploitation that can happen online including sextortion + sex trafficking

**MORE PEOPLE TRAINED = LESS VICTIMS + MORE VICTIMS IDENTIFIED**
