

OUR MISSION

FREEDOM

WE WORK TO ELIMINATE THE SEXUAL EXPLOITATION AND TRAFFICKING OF CHILDREN IN TENNESSEE AND PROVIDE SAFE ENVIRONMENTS TO FOSTER HOPE AND HEALING THROUGH JESUS CHRIST

Street Hope TN is a faith-based nonprofit organization leading churches, community organizations, and individuals on a comprehensive path to end Domestic Minor Sex Trafficking in Tennessee.

WE CARRY OUT OUR MISSION THROUGH:

Awareness

INCREASING KNOWLEDGE

The first step to eradicating modern-day slavery is letting people know it exists today. There are no limits to where this darkness can and will travel. We engage people through events, presentations, and educational programs.

Prevention

REDUCING VULNERABILITY

We work hard to prevent child sexual exploitation and trafficking from ever happening. We engage children, youth, and adults with prevention messages and trainings through our Project POST curriculum, DMST trainings, and Internet Safety trainings.

Restoration

EMPOWERING SURVIVORS

We are building the first safe home, Garland Oaks, in East Tennessee for young girls ages 12 to 17 who are victims of sex trafficking. This Christ-centered home is a place where survivors will find healing, hope, and love. A place where survivors will receive education, enrichment opportunities, counseling, and a place to feel safe. Most importantly, a place where these girls will hear about the mighty name of Jesus and His abiding love for her.

Prayer

SEEKING JESUS

Prayer is one of the most powerful tools in fighting DMST. As we focus on the restoration of DMST victims, we know that this can only be accomplished through regular prayer and seeking His heart with each step. We facilitate prayer gatherings where believers come together boldly before the throne of the Lord and pray on behalf of the least of these. We provide prayer guides to help individuals in praying for victims, law enforcement, law makers and perpetrators.
