

Hope Will Rise

2024

2024 HOPE WILL RISE SPONSORSHIP

Dear Friend,

I am excited to invite you to **Hope Will Rise**, our annual evening of awareness and celebration!

As a ministry team who prayerfully works to fight for freedom, we are blessed and humbled by the individuals, organizations, churches and businesses coming together and continue this crucial mission. Together, we work to eliminate the sexual exploitation and trafficking of children and provide safe environments to foster hope and healing through Jesus Christ.

As a **Hope Will Rise sponsor**, you support this mission and help Street Hope TN bring a large community together to learn more about how everyone has a role in this work we do. Through your financial support, your time, your advocacy and your prayers, we're able to reach thousands of young lives and families each year through prevention education. And through you, precious young girls are discovering healing and life-changing restoration at Garland Oaks, the only safe home in East Tennessee for 12- to 17-year-old survivors of trafficking.

Each Garland Oaks resident receives 24/7 care, a classroom education and a variety of extensive therapy options. Most importantly, she discovers who she was created to be and that there is hope for her future. The holistic care each girl receives is trauma-informed and designed for her healing and growth.

Through your Hope Will Rise sponsorship, you are also recognized through our communications before and at the event. You'll find those details and sponsorship levels on the next page.

Thank you for joining us in our fight for freedom.

We look forward to how God's promise of more through His people (Ephesians 3:20) continues to work through your generosity.

With hope and gratitude,

April Timko | Executive Director
