

# PRAYER *guide*

November  
2024

## VERSE OF THE MONTH

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.

*1 Thessalonians 5:16-18*

## PRAYER POINTS OF THE MONTH

### *Garland Oaks*

Please pray for our residents as they move into a new season, especially with the holidays and upcoming events that may bring painful memories. Please also pray as we continue to seek and hire additional employees for Garland Oaks.

### *Prevention*

We have a busy month this November! Please pray for the students, teachers and parents we will see this month in Knox County and Lenoir City Schools. Please pray that we stay healthy so we can finish the semester well!

### *Ministry Needs*

We seek open doors for the message of Street Hope to reach people who do not know about the need for DMST prevention and restoration. Join us in asking God to open the eyes of our community to the need for solutions and to join us in providing education and healing to vulnerable children.

### *Prayer Focus*

Lord, we thank You for the lives You are transforming through the work of Street Hope. It is a blessing to share Your truth with children, youth and the people engaged in their lives. Even when there are dark circumstances in this world, we are grateful for Your constant presence. Guide us in our efforts, and be with each child who needs Your love and care.

We invite you to join us at our next prayer gathering!
